

A program of NIJ hosted by UCF

## COURSE APPLICATION - 2009

The National Center for Forensic Science (NCFS) is accepting applications for the following courses described on our Website (<http://www.ncfs.org/training.html>):

Please check only one course and fill out one application per course:

**Comprehensive Fire Debris Analysis – Jan/Feb: Online Comp; Sym/Workshop: Mar 23-27**  
**Organic Chemistry/Fire Debris Analysts – Jan/Feb: Online Comp; Sym/Workshop: Mar 23-24**  
**Explosives Debris Analysis – Jan/Feb: Online Component; Sym/Workshop: Mar 23-27**

**After completing the application, FAX it to attn. Steve Allen at NCFS: Fax #: (407) 823-3162**  
NCFS will contact the selected individuals and provide information on registration for the online component and travel arrangements for the Symposium/workshop. **Note:** Students must complete all online components, attend the Mar 23 Symposium, and attend the workshop to complete the course successfully.
